

List of Participating General Dentists and Orthodontists Plan GE400 Area 1 - Southern CA

IMPORTANT MESSAGES ON THE USE OF YOUR PLAN

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED

- Please verify with the dental office that the doctor you have selected is an active provider.
- Please check with the individual office to determine if they treat children.
- Some offices may charge a sterilization fee.
- You must notify the Plan's Member Services Department of any Dental office change before eligibility can be provided.
- Other dental offices will be added periodically. If any office is closed to further enrollment, the Plan will ask you to select another participating dental office. Please be certain to check your Plan ID Card to see who your participating provider is. You must visit the SmileSaver dentist you are assigned to in order to receive benefits.
- If your dentist advises that you need to consult a specialist for oral surgery, endodontics or periodontics, you must telephone SmileSaver Dental Plan's Member Services Department at (800) 333-9561 to obtain a referral. Only by this method will your procedures be provided at the reduced prices.
- If you have an acute (sudden onset) condition that requires prompt attention, that the care will be delivered by a participating dentist in this directory to the extent that the care would be covered by the Plan. If you have questions please call the Plan at (800) 333-9561
